

Dental Unio Kft. is a Hungarian import company which was established by four Hungarian dental dealer companies in the year of 2000. These dealers have been working in dental business for more than 20 years.

The companies' purpose was coordinating purchasing, import activity, market politics and - advantaging all benefits - satisfying their partners' expectation with the best possible conditions.

We are now distributing the products of about 40 manufacturers (e.g. 3M Espe, 3M Unitek, Coltene, Ivoclar-Vivadent, W&H, Harald Nordin, SpofaDental, Carlo De Giorgi, Euronda, GC Europe, Mectron, Medesy, Melag, Cavex, Sendoline, Voco, etc.) from different countries.

At present the association with its 10 specialist shops is able to provide the whole country with dental and dental technic materials and equipments.

You can find all our products at Our Partners.
